Whitmore practice run had about 25 runners. Mr. and Mrs. Moser were there. They have long time participants in the race and will not be with us for the race this year! They have been awarded with official times from the practice run. There were 5 people at breakfast afterward.

Old Business:

Whitmore: 80 people are registered. We have major sponsor donations from MC Sports, Athletico, Melanie Schilling, Refreshment Services, Sam's Club, Cracker Barrel. We had great attendance at BWW night-have not received the check for that yet. There will be race day registration. There is an added Bonus Run of running the course twice for no additional cost.

Shoreline Squad: Kickoff is June 9. Squad Leaders are set. June 16 is meet the squad night and June 23 will be the first running night and the timing clocks will be needed that evening.

Sandcreek Run: Registration is open and there are a few runners already signed up! John is having some difficulty with getting in contact with the person who runs Sandcreek.

L2R 3.0 is still getting a good turnout.

PACE Brag Board is up to date. You must be a DRC member to get points.
June 1 is National Running Day. The plan is to meet at Cherry Berry on Route 36 at 5:30 p.m. and run the lake route for adults and a cross country route on the old golf course for the kids. John has utility flags for course marking if we need them.

New Business:

DRC is going to be celebrating its 30th Birthday in 2017. How about a relay run to cover the 30 mile celebration?

The DRC picnic has been scheduled for August 14, 2016.

Timing and consultation was tabled until next meeting.

It has been requested that we post the minutes from the DRC meetings to the website. Could we also send them out earlier? What about the agenda? Heather Johnson motioned that the minutes be posted on the DRC website, Angelo Rinchuso seconded the motion and it was a unanimous decision to post them.

Congratulations to Angelo Rinchuso on being voted into the Quincy High School Hall of Fame. He will be inducted on Saturday, November 28.

John Pranschke reported that the Shoreline Committee will meet next week. Shoreline is in need of sponsors.

Please watch what you are putting in the storage shed. There are things being found in it that could serve a purpose elsewhere.

Brandon would like for you to please contact him about any changes to scheduling for the week before he posts the week's schedule, if at all possible! Sunday's organized runs have been dropped from the schedule.

Shanna Saubert motioned to adjourn and John Pranschke seconded the motion. The meeting closed at 6:20.

The next meeting is scheduled for 6/13/2016 at 5:30 pm. At John's Hill Senior Center!
